**Anticipated Aid shows the amount of financial aid (e.g., scholarships, grants, and loans) that is expected to apply to the student account once regulations permit the disbursement of aid, the funds have been received AND the student completes all aid requirements. Certain aid requirements must be completed (e.g., completion of entrance counseling and promissory notes for loans) in order for aid to disburse and become a full credit to the account. We provide the credit to allow students to anticipate the amount that will be available to help cover their balance due.*
